

Membership Application Checklist

To speed up the processing of your membership application, please follow these steps:

1. Fill out the Member Account Form completely.
2. Provide legible copies (by mail) or originals (in person) of one of the following forms of unexpired identification for all members applying. If your form of identification does not contain your current address, you must submit a secondary form of identification (such as a utility billing statement) which reflects your current address.

- Valid US Driver's License
- State Issued ID Card
- Passport
- US Military ID
- US Work VISA
- Social Security Card (MINORS ONLY)

Allegany First reserves the right to require additional information. Applications that are submitted without the proper identification will be returned to you unprocessed.

3. Social Security Numbers are required for all applicants.
4. A minimum deposit of \$5.00 is required for deposit into your primary share (savings) account.
5. Mail your member account form, deposit, copies of your identification, and the account options portion of this page (see below) to:
